

# Reeves Dog Carriers and Cages 2009

All our dog carriers and dog pens are manufactured in the UK and are of superior quality. All cages feature a high quality electro plated finish, to ISO9002 standards, which ensures rust resistance and ease of cleaning, all springs are protected and hinges are passive.

The "fold flat" design of the dog carrier makes it extremely easy to assemble and means you can instantly fold the cage for storage, without the use of tools. All folding carriers are fitted with a convenient carry handle.

The dog carriers and cages are available in 10 different sizes and are suitable for transporting dogs safely

**D** = Double end and side opening (fold flat) **S** = Side open (fold flat)  
**E** = End opening (fold flat)
